## Sothys l'Excellence Française

Sothys was the name that the ancient Egyptians had given to a star of dazzling clarity. It is this star that became the goddess that has inspired the brand since 1946 in its constant search for beauty and exclusive methods.

MADE IN FRANCE

### Sothys is :

-**Produced in France** within a factory, a laboratory, and with 4 hectares of gardens in the heart of Corrèze

-A **responsible** beauty that respects the skin and the environment, with an exigent pact for its formulas

-A brand **exclusively practiced by professional** spas technicians that are regularly trained in the specialized techniques

-The unique possibility of finding our cabin products in convenient containers to continue the benefits of your care at home
